

HELP US MAXIMIZE OUR FUNDING

CREATING AN ENGAGING COMMUNITY SPACE

Imagine an inviting outdoor room where you can relax in the fresh air while you listen to live music, socialize with neighbors, savor carryout from your favorite eateries, sip coffee, or enjoy drinks from Bridgman's social district partners.

OUR FUNDRAISING GOAL

We have a total crowdfunding goal of \$50,000 which seems rather ambitious but the Michigan Economic Development Corporation will help! For every dollar we raise, the MEDC will provide a 1:1 match via their Public Spaces, Community Places grant. Essentially, this doubles every donation and allows the project to be fully realized.

THE DETAILS

Funding will provide a welcoming, vibrant public space in the heart of Bridgman with:

- Wooden pergola structure
- 2,185 square feet of fresh concrete
- Tables, chairs, benches & bistro lights
- Months of free, live concerts
- Student artwork displays
- Five years of maintenance
- Donor acknowledgement (over \$100) with an engraved brick in the space

HOW YOU CAN HELP

We are currently setting our fundraising goal with MEDC. If we attain our goal, they will match every dollar raised. If we miss the target, we will not receive the matching funds. It is critical that we set a realistic fundraising goal. We are currently seeking commitments to donate to this project, not an actual donation (yet).
