 BAGGED LEAF PICKUP  
 LARGE TRASH PICKUP

**Bagged Leaf & Brush Pick Up** is indicated in **GREEN** on the calendar. The city requires the use of biodegradable paper leaf bags. City workers will not pick up leaf bags made from any other material. Please limit this to your yard cleanup. Commercial tree removal and/or trimmings will not be picked up. City workers will spend no more than 15 minutes at each property. If you have a large quantity of brush, arrangements can be made for you to haul the brush to the city composting site.

If you wish to drop off yard waste, there are marked bins for bagged waste and brush behind the DPS Garage at 9821 Maple St, across the parking lot (south) from City Hall.

**Leaf and brush burning within the city limits is prohibited.**

**Large Trash Pick Up** is indicated in **PINK** on the calendar. Items not accepted include those larger than a refrigerator, tires and construction material. Refrigerators and air conditioners must have the freon removed with a tag attached indicating as such. A complete list of accepted items is available on the city's website and at City Hall. Lakeshore Recycling also will pick up your extra-large items for a fee. To schedule such a pickup, call Lakeshore Recycling at (269) 231-5623.

**Household Hazardous Waste Collection** Details, including a schedule, are available on the county's web site. <http://www.berriencounty.org/564/Household-Hazardous-Waste-Collections>, or by calling the County Environmental Specialist at (269) 983-7111 ext. 8234.
