

Flu Shot Clinic

Protect yourself and loved ones this flu season: Adults aged 18 and older can get a flu shot at a quick & convenient drive-thru vaccination clinic. High-dose flu shots are available for those aged 65 years and older.

Most health insurance covers the flu shot in full. Please bring your insurance cards so we can bill your insurance. Or if paying at the time of vaccination, the cost is \$37 for the trivalent flu vaccine or \$74 for the high-dose vaccine (cash or check only; credit cards are not accepted).

Flu shots will be provided regardless of ability to pay.

No appointments needed!
